ACCOMMODATION

Candidates who are willing to stay in the college, you can contact the college administration as follows:

- **First Residential College**

First Residential College (Tunku Abdul Rahman Residential College) is the oldest residential college in University of Malaya.

[Find Out More](#)

- **Second Residential College**

When the University of Malaya campus was moved from Singapore to Kuala Lumpur in year 1958, a new hostel had been constructed and that hostel was called the Second Residential College, or Second RC.

[Find out more](#)

- **Third Residential College**

Third Residential College (Tuanku Kurshiah Residential College) is one of the oldest hostels in the University Malaya and accommodates both undergraduate and postgraduate students.

[Find out more](#)

- **Fourth Residential College**

Fourth College Residential College or Bestari Residential College was established in August 1963. Bestari Residential College is the fourth residential college inside the University of Malaya main campus.

[Find out more](#)

- **Fifth Residential College**

Daya Sari Residential College is the fifth college built in University of Malaya to accommodate students. The Fifth College was officially opened by Prof. Francis Morsingh in June 1966.

[Find out more](#)

- **Sixth Residential College**

After Malaysia achieved independence in 1957, the goal to set up a modern medical centre emerged. In 1963 the building of the Medical Faculty and the University Hospital commenced.

[Find out more](#)

- **Seventh Residential College**

The Seventh Residential College, also known as Za'ba Residential College was officially open by Datuk Dr. S. M. A. Alhady on 1975. It is named after Malaysia's great nationalist Zainal Abidin Bin Ahmad.

[Find out more](#)

- **Eighth Residential College**

Much like the mountain it is named after, Mount Kinabalu, the highest mountain in South East Asia, the Kinabalu Residential College stands proudly in University of Malaya.

[Find out more](#)

- **Ninth Residential College**

Like the mythical phoenix rising from its ashes, plans for the Ninth Residential College were formed after the Modular Residential College caught fire in 1990. The college started construction on 2nd of January 1994 and was completed in April 1995.

[Find out more](#)

- **Tenth Residential College**

The Tenth Residential College, also known as Tun Ahmad Zaidi Residential College is one of the residential colleges for undergraduates located inside the University of Malaya.

[Find out more](#)

- **Eleventh Residential College**

When constructed in 1997, the Eleventh Residential College was built to accommodate students who enrolled in the Centre For Foundation Studies in Science pre-university programme

[Find out more](#)

- **Twelfth Residential College**

The newest and biggest residential college built in the University of Malaya, the Twelfth Residential College was completed in 2002, and is a collection of five interconnected buildings, Block A, Block B, the Cafeteria, Block C and Block D.

[Find out more](#)

- **University of Malaya International House (IH)**

University of Malaya off-campus accommodation strategically located 2 kilometers away from the main campus. It has 4 blocks with 90 units of two-bedroom apartment for long term (minimum of 1 year) and short term (less than three months) rental.
